

Breast Pump

Rental & Purchase at EvergreenHealth

Need a breast pump? Every insurance plan has different requirements for breast pumps. Some cover only a purchase, some only cover a rental. Some insurances require you to be discharged from the hospital before obtaining a pump, some require you to get a pump through the mail. We want to help!

Here are some answers to frequently asked questions:

Does my insurance cover a breast pump rental or purchase at EvergreenHealth?

The Baby & Family Boutique, located in Coral 320, rents and sells Medela breast pump products. Please call your insurance company to verify that you can obtain your pump at the boutique. These numbers will be helpful to ensure your insurance is contracted with the boutique:
